

**THE WISDOM GLOBAL SCHOOL**  
**REGARDING STUDENTS COMING TO SCHOOL ON TWO-WHEELERS**  
**CIRCULAR- CLASS VI TO XII**

9<sup>th</sup> July 2022

Dear Parents,  
Greetings!

1. It has been observed that many students are driving scooty/ scooter/ bike/ car for coming to school. Most of the times, they ride rashly or recklessly. As we all know that dangers are involved in minors driving any vehicle since if any road accident happens, it may turn out to be fatal or may leave permanent disability in the student/s.
2. Therefore, kindly note that as per our school policy, our school students are not allowed to drive any two wheeler while coming to/ going back from school.
3. Still if any school student drives any vehicle while coming to/ going back from school, the Safety and security of that student is the sole responsibility of his/ her parents, in such cases. Also, school will not provide any parking inside school premises for vehicles of such students.

  
By order,  
PRINCIPAL
