Dear Parents,

Greetings from TWGS!!

The new session for 2024-25 has commenced, with academics in full swing across all classes. This year, we have integrated certain activities for students, as reflected in the timetable:

1. Pottery, Craft, and Textile classes have been combined. Each week, students will rotate through these classes according to their roll numbers, ensuring every student participates in each activity.
2. Dance and music classes have also been merged. Students are given the option to choose between these two activities based on their interests.
3. We've introduced Club activities for students from Classes XI & XII, scheduled once a week. These clubs are free of charge **except STEM**, and students can enroll in a club aligned with their interests. Enrollment is limited to maintain optimal participation. Please review the list of activities and corresponding Incharge teachers provided for each club.

CLUB ACTIVITIES 2024-25
