Dear Parents,

Greetings from TWGS!

We hope this message finds you well. We would like to draw your attention to our upcoming event on the Annual Calendar for 2023 – the Inter-house Travelogue Competition. This exciting event encourages our students to explore, learn about different cultures and places, and document their experiences through creative writing and art.

Event Details:

- Date -Saturday, 09/09/23
- Purpose -To inspire children to learn more about the city or country they have visited and create lasting memories.
- Content- A travelogue should include vivid descriptions of the visited place, personal experiences, informed commentary about the location's history and culture, and accounts of interactions with local people.

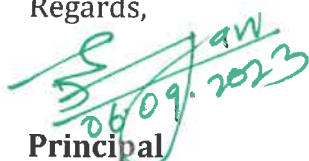

Important Points to Note:

1. **Mandatory Participation:** This competition is compulsory for all students. We believe that participating in such events not only fosters creativity but also broadens horizons by encouraging students to explore the world around them.
2. **Materials Provided:** A-4 sheets will be provided to all participants for their written entries.
3. **Additional Materials:** Students are required to bring their own pictures and colors to complement their travelogue. This allows them to add a creative touch to their entries and make them more visually engaging.

We are excited to see the creativity and enthusiasm that our students will bring to this event. Travelogues are not just about writing; they are a window into the world and a testament to the richness of our experiences. We encourage you to support your child in this endeavor, as it is a fantastic opportunity for them to express themselves and develop their writing and artistic skills.

If you have any questions or need further information, please do not hesitate to contact us. We look forward to an inspiring and educational Inter-house Travelogue Competition on 09/09/23.

Regards,

Principal
