Dear Parents,

Greetings from TWGS!!

This is to inform you that our school will host annual function named '**Anunaad-The Resonance**' this year. Our school will also host Interschool competitions. There are plenty of external forces that can throw obstacles in student's path. But most often, it's their own thoughts, feelings and ways of reacting to situations that can create some of the biggest hurdles in leadership. To overcome these challenges, school decided to assign responsibility of hosting the event to the students of classes IX to XII.

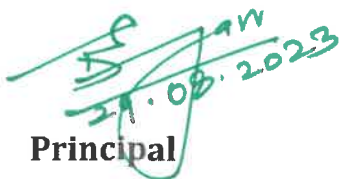

You are hereby informed that our students would not participate in the events as they will be handling/managing responsibilities as organizers where they will learn the leadership qualities and developing the problem solving skills.

The students who want to be the part of core committee or want to be the volunteer for the same need to fill the Google form by 31st August, 2023. This form will no longer available after the mentioned date.
