CIRCULAR

Dear Parents,

Greetings from TWGS!

We hope this message finds you well. As we follow our Annual Calendar 2023, we are excited to announce an upcoming event that promises to be both fun and intellectually stimulating for our students.

Event: Inter-House Sudoku Competition

Date: 16th September 2023 (Saturday)

Sudoku, originating from Japan, is a delightful puzzle game that challenges participants to fill a 9 x 9 grid with the numbers 1 to 9. The catch is that these numbers must be strategically placed to ensure that each row, column, and mini-grid (nonet) contains every number exactly once. Sudoku doesn't require prior knowledge; it's more about logical thinking and problem-solving. A single error in Sudoku can be the difference between success and failure, as each puzzle has only one correct solution.

The primary objective of this event is to nurture our learners' critical thinking skills while boosting their confidence in tackling complex tasks. We believe that by participating in the Sudoku competition, students will not only enjoy themselves but also contribute to a pleasant and engaging atmosphere.

Here are some essential guidelines for the competition:

1. **Row Requirement:** Each row must contain the numbers from 1 to 9, with no repetitions.
2. **Column Requirement:** Each column must contain the numbers from 1 to 9, with no repetitions.
3. **Nonet Requirement:** The digits should only occur once per nonet (mini-grid).
4. **Sum Rule:** The sum of every single row, column, and nonet must equal 45.

We kindly request your support in helping your child prepare for this event. Sudoku is a wonderful way to exercise the mind and develop problem-solving skills. Encourage your child to practice, solve puzzles, and hone their Sudoku skills.

We look forward to witnessing our students' exceptional talent and celebrating their accomplishments during the competition.

Regards,

Principal
