Dear Parents,

Greetings from TWGS!!

As we embark upon the new academic session, I wanted to take a moment to extend my heartfelt appreciation for your unwavering support and partnership in your child's educational journey. Your active involvement and collaboration play a pivotal role in ensuring their ongoing growth and success.

Recognizing the uncertainties and challenges that accompany the current times, I want to reassure you of our steadfast commitment to providing a safe and enriching environment for all our students.

We remain dedicated to upholding the highest standards of health and safety protocols, meticulously following guidelines outlined by local authorities and esteemed health experts. Our school commenced its activities on April 2nd with the commencement of Sports Events and the settling period for students.

We are pleased to inform you that our academic endeavors are now in full swing. Therefore, we earnestly urge parents to ensure the regular attendance of their children. Your continuous support and understanding are deeply appreciated as we collectively strive to nurture a conducive learning environment for our students.

Regards

Principal
