Date – 11.02.2024

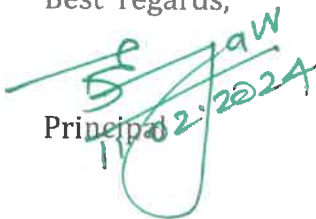

## CIRCULAR

"Dear Parents,

Greetings from TWGS!!

We would like to inform you that the school will remain closed on 12th February 2024 due to the order of the District Magistrate Haridwar regarding the celebration of Women's Empowerment Day. Parents are advised to ensure that their wards utilize the time for academic excellence. Worksheets will be provided through Radical (portal), and every student is expected to solve them within the specified time frame mentioned in the worksheet and submit them to their respective subject teacher. We encourage students to utilize their free day productively by completing the worksheets provided by their respective teachers. These assignments are designed to reinforce their learning and ensure continuity in their academic progress.

Best regards,
